

ASHEVILLE WARD RELIEF SOCIETY

May 28- June 10

Prepare For Our Next Relief Society Lesson

Join us for our first IN PERSON relief society lesson on June 13. Laura Perry will be teaching on “Jesus Christ: The Caregiver of Our Soul” (by Ulisses Soares).

Jesus Christ, Savior

History has seen many great teachers. Gautama Buddha. Mohammed of Mecca. Confucius. Jesus Christ. Each of these teachers (and more) left behind their own “blueprints” for achieving happiness and fulfillment, and paved the way for many of the religions we see in the world today. In many ways, it seems as though all religions and philosophies are trying to achieve the same thing in different ways; and there really is so much we can learn from them all. Yet, there is something that makes Christianity distinct from all other religions: a way for dealing with sin. The Bible Dictionary associates many words with ‘Jesus Christ,’ one of the most notable being “Savior.”

“Christ came to save us. If we have taken a wrong course, the Atonement of Jesus Christ can give us the assurance that sin is not a point of no return.” - Deiter F. Uchtdorf

While other religions and schools of thought can teach us ways to find satisfaction, happiness, and purpose in life, Christianity is the only one that provides a way for dealing with sin.

“...if we do sin, however serious that sin may be, we can be rescued by that same majestic figure, He who bears the only name given under heaven whereby any man or woman can be saved.” - Jeffrey R. Holland

This week, let us reflect on the blessing it is to belong to a Church that teaches us about Jesus Christ; that teaches us how to resolve sin, and work out our salvation. With faith in Christ, we can feel more empowered to confront the challenges of life, and to learn from our weaknesses; for it is with Christ’s help that weak things can be made strong.
