

ASHEVILLE WARD RELIEF SOCIETY

June 11-25

First In-Person Lesson This Sunday

We can't wait for our first in-person relief society lesson this Sunday! Laura Perry will be teaching on the talk, "Jesus Christ: Caregiver of Our Soul" by Ulisses Soares. Please come prepared for this lesson. We are so excited to see you all.

A Thought from our Sister Missionaries

The prophet Joseph Smith once proclaimed, "After all that has been said, the greatest and most important duty is to preach the Gospel." What a tremendous task! Missionary work can seem overwhelming but the Lord doesn't expect us to be perfect. What He does expect is our hearts and a willing mind! We know that each of you has the potential to bring others to a knowledge of the truth. And oh "how great shall be your joy" if you bring even one soul to Christ! (D&C 18:15)

On June 27th we will be holding a Member Missionary Event where we will talk about what missionary work looks like these days and what you can do to share the gospel in your own lives. It's going to be a lot of fun and we would love to see you all there! Come experience the blessings of gathering Israel!

We know that this church is the Kingdom of God on the earth today. The restored Gospel of Jesus Christ truly changes people's lives. It has helped us find so much peace and we know that it will help others find the same. It is such a joy to be able to share what we know to be true!

We love you!
Sister Kerr & Sister Freidenberger
